### **Junior College – Grade XI & XII**

The senior secondary years of a student involves the 11th & 12th grade of a student. In the Senior Secondary years, the respective fields of study get divided into various streams like Science and Commerce. We nurture the values that keep our future global citizens grounded while developing their personality. We believe in the holistic education so that our students should remain in a supportive and safe environment. We assure the safety of students as our campus is under CCTV surveillance.
